## Original Glaze Formula in Improved Pouch Packaging

Get more glaze from the improved pouch packaging. The flexible pouch can dispense up to 6% more material\*, limiting material waste. The malleable bag is also easy to knead and minimises air introduction, to ensure smooth applications. Enjoy quick sanding in 15 minutes with reliable adhesion to a variety of surfaces to achieve high-quality spreads without pinholes.

- Rapid sanding time
- Versatile application
- Minor imperfection repair
- Smooth application
- Stain and tack-free

\* Compared to a same size pumptainer

Offers valid February 9 – April 9, 2026.

**Terms & Conditions:** Purchases of products and offers outlined in the 3M Ignition Incentives Australia brochure 9 February - 9 April 2026 cannot be used in conjunction with any other product or promotional offers and are available from 9 February - 9 April 2026, while stocks last. This is a limited time promotion. All orders/claims must be received by 9 April 2026. Multiple redemptions of the same offer are permitted, provided minimum purchase requirements are satisfied. Claims received after this date will not be honoured. Promotional Offers only available for purchase from an authorised 3M Automotive Aftermarket Distributor and is open to all end users. Please contact your preferred authorised 3M Automotive Aftermarket Distributor for pricing. Offers available while stocks last. 3M reserves the right to modify or withdraw offers at any time without prior notice.
